Sir,

I have the honor to submit for sanction an Estimate for Rs 58-13-6, being the amount required for the purchase and repair of the Vessels for the use of the Channa-rayapatna Anna Chattra. The cost may be met from Rs 132-14-3 available in favor of the institution under the head "Inam Surplus" Fund and

respectively, on the 14th March last as per Treasury Officer's certificate accompanying. It is reported that the articles were last supplied in 1884 that is ten years ago and the existing ones are no longer fit for use being worn out or otherwise become useless. They are therefore urgently needed. They have also been shown in the Estimate and their value is set down at Rs 12.-7.-9. They will be disposed of by sale on receipt of sanction for the proposed utensils. The Vernacular papers ending with the General Assistant Commissioner and Omrazai Officer's Yadi No. 266/1788 Dated 22d June 1894, are also forwarded herewith for reference and return.—
